12. Comments (See instructions on page 31)

Concerning items 3,6,7,8,9A and 9B:

Solutia, Inc. contracts commercial warehousing space and distribution services with Brook Warehousing Systems at this site for purposes of sale of its products to customers throughout the regional area of this warehouse. Solutia, Inc. does not own or run the commercial warehouse operation. In the normal course of warehouse and distribution operations, product in the warehouse goes out of date, or packages become damaged or product becomes otherwise un-saleable. Thus, from time to time, Solutia, Inc. may choose to discard products - some of which may then meet the definition of hazardous waste.

13. Certification. I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. (See instructions on page 31)

Report Description

This report presents available information from the Resource Conservation and Recovery Act Information System (RCRAInfo) about compliance evaluations, violations, and enforcement actions meeting the criteria supplied by the user. Evaluations showing no violations does not always indicate that no violations were determined. Violation without enforcement actions does not always mean no enforcement action will be issued. In order to avoid releasing enforcement sensitive information to the public the following information is not shown on the report: pending civil / judicial referrals, criminal actions and referrals, and State to EPA referrals; all other enforcement actions are released.
